## PATIOS, VERANDAHS & CARPORTS

Alto by Metroll is the new COLORBOND® Home Improvement range of Patios, Verandahs and Carports. Alto uses 100% COLORBOND® BlueScope steel for complete quality assurance combined with state of the art design engineering systems to ensure quality and structural piece of mind.

### CUSTOM DESIGNS

Alto allows you to customise your structure to suit your space requirements. All of our carports and verandahs are custom designed to your premises, no project is too big or too small.

### AUSTRALIAN MADE

Alto by Metroll is 100% Australian made and manufactured. When you design and build with Alto you maximize your outdoor home experience and add value to your home.

### COUNCIL REQUIREMENTS GUIDANCE

Our experienced salespeople are here to help you make the right decisions, guide you through the council approval process and ensure your project runs smoothly from start to finish.

### ALTO HOME IMPROVEMENT KITS

Alto also offers easy install DIY kits for the home handyman and tradie.

# ALTO

## HOME IMPROVEMENTS RANGE

Our range of Alto Patio, Verandahs and Carports can be free-standing or attached to your existing house.

## ALTO ROOF STYLES

Choose from a range of roof styles to create your desired look.

A traditional style roof where two sloping panes meet at the ridge line.

Combines both flat and gable styles.

A skillion roof (single-pitch), is characterised by its single, steeply inclined plane.

## ALTO ROOFING PROFILES

Choose from an extensive range of roof profiles to add style and strength to your Alto structure.

### SPANPLUS 330

Spanplus 330 is purpose designed for non-roof traffic areas including patios, awnings and carports.

### CORODEK®

A corrugated roofing profile, Corodek® is multi-purpose roofing and wall sheeting.

### TRIMCLAD®

There is always a place for classics and the Trimclad® profile is a long standing favourite.

## Insulated Roof Panels from BONDOR®

### SOLARSPAN®

SolarSpan® features a COLORBOND® steel exterior roof layer, an EPS-FR rigid insulation core with a pre-finished COLORBOND® ceiling underside.

### INSULROOF®

InsulRoof® features a corrugated roof profile using COLORBOND® steel, encasing a lightweight SUPACORE® of EPS-FR and PUR for high performing insulation and a pre-finished COLORBOND® ceiling lining.

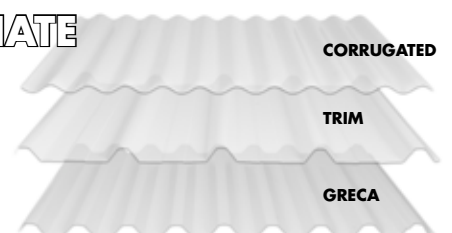

### LOUVRES

Panels that can be open or closed to suit the weather.

### POLYCARBONATE

Clear polycarbonate sheeting - perfect where brighter spaces are required.

# BEAMS & POSTS

Sleek, clean and strong, Alto COLORBOND® Beams and Posts are engineered and designed for long spans and a smooth finish.

**AVAILABLE SIZES: 100mm, 150mm, 200mm**
